A **DAY** IN **AMBOHIMANGA**

Central Hôtel *** Antananarivo

Day trips from the hotel

Welcome to the Land of the Ancestors!

The Royal Hill of Ambohimanga constitutes an exceptional witness to the civilization which developed in the 'Hautes Terres Centrales' in Madagascar between the 15th and 19th centuries and to the cultural and spiritual traditions, the cult of kings and ancestors which were closely associated there. It is associated with strong feelings of national identity, and has maintained its spiritual and sacred character both in ritual practice and the popular imagination for the past 500 years. It remains a place of worship to which pilgrims come from Madagascar and elsewhere.

The Royal Hill of Ambohimanga has been a UNESCO World Heritage Site since 2001.
